

**Bloomington Spinners and Weavers Guild
October 2012 Newsletter**

Next Meeting: Monday 15 October 2012

(yes, last newsletter had wrong date)

At the October meeting...

TAKE THE CHALLENGE!!

Take the challenge to learn something new!

You can pick from four categories: Knitting, Weaving, Spinning, and Other.

You will randomly draw a challenge from the basket, and have until the April meeting (next year) to bring the completed challenge to share with everyone.

Also, be sure to remember to bring your creations from the fiber exchange to share at the October meeting.

Robin Edmundson will be leading a "Hands On Color Theory" program. Bring yarn for colors, and Robin will also be using paint chips and more yarn to show us more about color theory.

Robin will also be distributing the signs for the Fiber Arts Show.

And, for those of us who haven't yet, it's a new year and time for new dues. A bargain at \$20.

And Kathleen says you can send your dues to:

Just be sure to include your name, address, phone, and e-mail address for the directory.

(and for getting the newsletters)
