

**Bloomington Spinners and Weavers Guild
November 2012 Newsletter**

Next Meeting: Monday 19 November 2012

At the November meeting...

Ulla Linenthal will be leading a program on color knitting, especially in the Fair Isle and Ethnic traditions. She will have lots of examples to go with her talk.

Everyone is encouraged to bring their own samples and examples of color work to share.

And, it's not too late to ... **TAKE THE CHALLENGE!!**

Take the challenge to learn something new!

You can pick from four categories: Knitting, Weaving, Spinning, and Other.

You will randomly draw a challenge from the basket, and have until the May meeting (next year) to bring the completed challenge to share with everyone.

Also, it's that time of year again, to make good the Guild's exchange with the church for having the space for our meetings, where we bring baked goods that can be frozen which the church can then use throughout the year at their functions.
