## **Announcements**

From Kathleen Glaser:

Thanks to everyone who has donated yarn to Mrs. Cole's Cloverdale Middle School art class. Recently, she received a Mac grant and purchased Nifty Knitter looms for her classes. The week before Christmas, all students in her classes made a winter hat. It was wonderful to see so many handmade hats around the school. She does several fiber projects throughout the year including weaving and making coiled baskets. Any time you would like to donate yarn, just give it to Kathleen. Mrs. Cole and her students appreciate all you have done for them.

From Pam Kinnaman:

The Indiana Fiber Producers Association Fiber Show next spring will be March 22nd (2014), from 9:00am to 5:00pm at the Monroe County Fairgrounds. Volunteers would be helpful, but vendors are also needed. A vendor registration form is available from Pat Kinnaman or Paul McElwain.
