

Next Meeting: Monday 20 July

No Meeting in June !!!

Meeting: There will not be a summer meeting this month as church has prior scheduled use of our meeting space. We will meet in July.

Notes:

We will be meeting throughout the summer this year. Due to Vacation Bible School, we will not be able to meet at the church in June, so there will be no meeting in June. The other meeting dates will be July 20 & August 17. We will meet at the church at the usual time – doors open at 6:30 and meeting time is 7:00. These are planned to be relaxed meetings – a time to relax, keep our hands busy with a project, and visit with very little business to do. Hopefully those attending Midwest will share their experiences with us in July.

Announcements:

From Megan Smith (mkiehna@gmail.com):

A very kind employee at Yarns Unlimited suggested I get in touch with the Spinners & Weavers Guild regarding an electric skein winder and swift that I am looking to sell. I am an artist who lives in Bloomington (I have a BFA in Fibers), and I used to run a small business selling naturally dyed yarns. I recently gave birth to my first child and decided to close my business, and now I am selling some of my equipment. The electric skein winder I am selling is this model:

from Ball & Skein. It is only lightly used and comes assembled with a rotation counter. I am also selling a Triple Crank Winder:

also from Ball & Skein. I used this winder as a swift with the electric skein winder to reskein 3 hanks at a time. These items served me well as a dyer and are in excellent, like-new condition. I am asking \$450 for the electric skein winder, \$200 for the crank winder, or \$600 for both items. Anyone interested in purchasing them can either pick them up from my home in Bloomington, or I can deliver them to the buyer.

From Kathleen:

As many of you know, long time member Judith Smith-Ille is now residing at Bell Trace. She has 3 spinning wheels she would like to sell. I had a chance to see them today at Yarns Unlimited and they are in perfect condition. Here are the wheels she would like to sell:

Ashford Joy complete with carrying case.

2010 George Jensen Wheel

Rick Reeves compact wheel.

For pricing and additional information call Mary Ann at Yarns Unlimited. I have attached pictures of the wheel.
