

# Fall into Summer & Winter: All Day Weaving Workshop with Barb Gallagher

Saturday, November 7, 2020 | 11:00 a.m. to 6 p.m.

BSWG Mall space at College Mall, Bloomington (next to American Eagle)  
2894 E 3rd Street, Bloomington, IN 47401

Summer & Winter is a very versatile weave structure. Traditionally used to weave coverlets, it is also very useful for weaving placemats, towels, rugs, bags, or even yardage for clothing. We will explore the basic methods of weaving S&W through a sampler. Barb will provide lots of samples and we will discuss simple ways to make some creative changes as well as other things that can be done with this threading. If you can thread from a draft, you can do Summer & Winter! Participants will need to bring a warped 4 shaft loom at least 8" wide, yarns to use for weft, and normal weaving tools and supplies. If you can't bring a loom, please contact BSWG to use a Guild table loom for an extra charge.

**\$170 for BSWG members | \$200 for non-members**  
*(\$30 additional fee will be applied to BSWG membership for 2020-2021)*

**Reservations due by October 31, 2020.**
